**8:30 a.m. - Registration and Morning Refreshments**  
**9:00 a.m. Meeting Begins**  
**Jack Stivers, MSU/Lake County Extension Agent – Facilitator**

**Dr. David Granatstein, Sustainable Agriculture Specialist**

Tree Fruit Research & Extension Center, Wenatchee - Washington State University

*Dr. Granatstein's extensive background in soil health, replant disease, orchard issues and floor management strategies and practices will provide attendees with the latest research and practical applications to ensure healthy and productive orchards. He will also discuss future trends for fruit production. Morning and afternoon sessions will allow plenty of time for questions from the audience.*

**Brian Campbell, Monson Fruit Company fieldman for the Flathead**

**April 4 –** *Join Brian for an orchard tour in the afternoon. Four local orchards using new and innovative practices for our area will be visited and will include open discussion on varieties, production, horticultural techniques, and costs. Meet at the Yellow Bay Clubhouse at 2:30 on April 4 to caravan and carpool to the orchards.*

**April 6 Growers' Meeting –** *Brian will discuss the coming season and what the outlook might be after this winter, and his observations on upcoming bloom timing and density. He will talk about the devastating small cherry virus and how to identify and combat it. A recap of the Thursday orchard tours will also be discussed. His presentations encourage Q&A from the audience.*

**And more...** other items of interest to local cherry growers will be announced and available at information tables.
