Come One ! Come All !

Cherry time in Montana's Flathead Lake Valley is one of the most exciting times of the year and Polson is where the cherry action is. Last year's **Cherry Festival** was a great success and this year's festival is sure to be even bigger, better and more exciting.

A Family Fun Event.

The Festival is sponsored by the Polson Business Community and The Flathead Lake Cherry Growers organization.

This year's festival will include Gift Certificates from downtown merchants. Over 100 vendors will be displaying and selling their cherry related items as well as other merchandise.

Several food vendors will offer a selection of lunch items and sweet treats which can be enjoyed at tables under a large shaded tent.

Come spend the entire day in Polson.
